Dear Parent/Carer

Re: Transition update

We were pleased that so many of you were able to join us for last week's webinar delivered by Action your Potential. Please find the key information that was shared during the event and a link to the recording below:

Key Takeaways: Managing Challenge and Change
Wednesday 24 April for Shoreham Academy

AYP
Action Your Potential

- Our children's brains are amazing, we can help them build a resilient brain through helping them to choose powerful habits, goals and relationships that change their brain
- Our brain is changed by 4 psycho-social forces each day; our habits, our goals, our relationship with others and ourselves
- Human brains are neurally plastic, and we get better at what we practice
- Well-being is a skill that helps us to build a balanced brain

You can access the recording of the session [here](#)

Don't forget as a member of the Shoreham Academy community you have access to the #NeuroNinja Learning Hub, you can sign up [here](#). Our aim is to help people learn about their amazing brains and support children, young people, and adults to get the most out of their brains every day.

Summer Induction Day

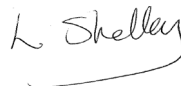

Following feedback from a variety of stakeholders we have decided to run our Year 7 induction day on Wednesday 4th September. This will be for all year 7 students; further details will be shared at the transition events in July. Please note that this replaces the dates in August that were previously shared.

We very much look forward to meeting you and your child.

Yours sincerely,

Mr Jim Coupe
Principal

Mrs Lydia Shelley
Vice Principal

INTEGRITY  **HARD WORK**  **EXCELLENCE** 

Principal: Jim Coupe
